About

Shree Developers

Mangaluru

Mr. Girish M. Shetty Kateel

Shree Developers, Mangaluru began its journey in the construction industry from the grassroots level of civil engineering under the name Shree Devi Constructions. Through consistent quality in construction work and disciplined professional service, the company gradually gained recognition and trust across the coastal region.

Founded by Mr. Girish M. Shetty Kateel in the year 2000, the company initially undertook contractual construction projects for major corporate organizations such as Larsen & Toubro, Mangalore Refinery and Petrochemicals Limited, Oil and Natural Gas Corporation, Mangalore Special Economic Zone Limited, and Bharati Shipyard Limited, contributing to several mega projects in the region. Over the years, the firm evolved into Shree Developers, a full-fledged real estate and construction company based in Mangaluru.

The company has successfully completed several notable residential projects. Among them, Shree Heights project having 91 flats and 12 comercial units started 2013 and completed 2016, has become a landmark development in that locality.

Another prominent project, Shree Hill side having 53 flats started 2022 and completed 2024, located at Kavoor on the Mangalore Airport Road, has emerged as a preferred choice for the new generation of home buyers seeking quality housing in a well-connected area. Through its commitment to quality, reliability, and modern living standards, Shree Developers continues to strengthen its reputation in the real estate sector of coastal Karnataka.

SHREE HEIGHTS

A Balanced Lifestyle

Blending Peaceful Residential Living

SHREE HEIGHTS | Kuloor Mangaluru

SHREE HEIGHTS is a premium commercial and residential project located at Panjimogaru, near Kuloor, in the vibrant city of Mangaluru. Now a prominent landmark in the area, the project stands as a fine example of modern architecture and thoughtful urban planning. Rising majestically with ten floors, Shree Heights reflects quality construction, elegant design, and contemporary living standards.

This impressive commercial-cum-residential complex is home to 91 families, offering well-designed 2 and 3 BHK apartments that combine comfort, convenience, and functionality. The project provides residents with a balanced lifestyle, blending peaceful residential living with the advantages of nearby commercial facilities.

Strategically located at Panjimogaru near Kuloor, one of the most sought-after residential areas in Mangaluru, Shree Heights enjoys excellent connectivity and proximity to essential urban amenities. The neighborhood is surrounded by shopping centers, fitness clubs, places of worship, educational institutions, and healthcare facilities, ensuring that residents have easy access to everything they need for a modern and comfortable lifestyle.

Encouraged by the remarkable success of Shree Heights, and with a deep understanding of the expectations of today's discerning homebuyers, Shree Developers Mangalore has ventured into yet another landmark residential project, Shree Hillside. This new development is already creating a strong presence in the real estate market and has quickly become a preferred choice among the new generation of home planners, thanks to its contemporary design, strategic location, and commitment to quality living.

SHREE HILL SIDE

Kavoor, Mangaluru

Guide to Happy Living

Where City Living Meets Village Life

SHREE HILL SIDE

Kavoor, Mangaluru

SHREE HILLSIDE marks the next exciting chapter in the journey of Shree Developers Mangalore, a reputed real estate and construction firm in Mangaluru. Designed to reflect modern lifestyles and thoughtful planning, this project is located in one of the city's desirable residential neighborhoods, offering a perfect blend of peaceful surroundings and vibrant urban charm. The locality retains a pleasant village-like atmosphere while still enjoying the conveniences and connectivity of a growing cosmopolitan city.

Strategically situated near Kavoor–Mangalore Airport Road, SHREE HILLSIDE offers excellent accessibility while maintaining a calm residential environment. The project comprises 53 thoughtfully designed flats, featuring 1 BHK and 2 BHK apartments, making it an ideal choice for young professionals, small families, and modern homebuyers seeking comfort and convenience.

Each apartment is set within architecturally distinctive blocks that maximize natural light, ventilation, and spacious living areas, creating bright and airy homes designed for modern living. The elegant layout and contemporary design ensure that residents experience both comfort and functionality in their everyday lifestyle.

SHREE HILLSIDE also emphasizes sustainability and eco-conscious living, incorporating green features that promote a healthier and more balanced environment. High-quality fittings, modern electrical switches, and premium finishes from reputed brands further enhance the interiors, giving every home a refined and designer-inspired look.

Combining location advantage, modern architecture, and quality construction, SHREE HILLSIDE stands as a promising residential destination for those looking to enjoy comfortable and stylish living in Mangaluru.
